Verse 1

In the mist of chaos
Will you be my guide
I'm here come and save me
At the speed of light

I'm on my knees
Begging You please
Come rushing like white waters
Come rescue me, make them believe
You're awesome so awesome to me

Verse 2

When times get rough
And life ain't amazing
Your strength is enough
White waters keep pushing on and on and on

Chorus

I'm on my knees
Begging You please
Come rushing like white waters
Come rescue me, make them believe
You're awesome so awesome to me

Bridge (x4)

White waters rushing in
White waters fear nothing

Fear nothing no fear no fear no fear

Chorus

I'm on my knees
Begging You please
Come rushing like white waters
Come rescue me, make them believe
You're awesome so awesome to me

Verse 3

There's nothing He can't do
He'll be where we are
By our side forever
You won't be too far

I'm on my knees
Begging You please
Come rushing like white waters
Come rescue me, make them believe
You're awesome so awesome to me
